

Team Number: 202-2

Team Name: Probable Hedgehogs

Members: Patrick Faulkner, Michelle Tran, Kevin Lawton, John Ortiz, Kai Hueske-VanCeylon

- **Completed/ in progress features:**
 - Registration page (complete)
 - Login Page (complete)
 - User profile (in progress)
 - Graph: Database/organization (in progress) - going to scrap
 - SQL (in progress)
 - Node Js (in progress)
- **What worked during the demo (issues?):**
 - Login page
 - Registration page
 - Questions if we really needed c++
 - Made pivot to just use an sql database instead
 - Graph test
- **TA suggestions:**
 - Look into seeing if we wanna use swift if we wanted to create a mobile app
 - Josh recommended to just host on a web browser and make it mobile friendly
 - Look into if we want to build calendar
 - Suggest using a paypal app
